

.US RESERVED NAME ORDER FORM

.US RESERVED NAME ORDER FORM DIRECTIONS

Use this form to register the .US domain name(s) your organization has reserved. Your department will have 90 days from the date of this email to order; **registration forms not received by 11:59pm EST, June 30th 2004** will be returned to the pool of publicly available .US names.

Please direct questions to federal@neustar.us or call +1 571-434-5728.

IMPORTANT NOTE: You must return this form electronically from the same email address at which you received this reserved names solicitation!

1. DOMAIN NAME INFORMATION

PRICING

Lifetime registration \$395.00 USD

5 Year \$180.00 USD

3 Year \$168.00 USD

Permanent domain name reservation \$152.00 USD (If you choose this option, the domain name will not work. If you wish to change your domain name status in the future, your only registration option will be "Lifetime registration.")

List all reserved .US domain names you wish to purchase, as well as the desired registration term. To choose your desired term, click on the box with the corresponding year. Pricing information for each registration term is listed above.

To purchase more than eight (8) domain names, please submit a second Order Form with the additional domain names. All domain names appearing on the same form will be given the same Registrant contact data. If different contacts are needed for Administrative, Billing and Technical data you will be able to add this information to your account once you receive a confirmation e-mail for your order.

Please note: if no registration term is chosen for a domain name, the default option is "Lifetime registration." If you select "Permanent domain name reservation" as your term, the domain name will not resolve but it will not be available for anyone else to register; if you choose to activate the name later, your only registration option is "Lifetime registration."

List all domain names you wish to purchase below. Please call 1-571-434-5728 if a reserved .US name you would like to register does not appear on the list.
